United States Senate
WASHINGTON, DC 20510-3703

COMMITTEES:

COMMITTEE ON FINANCE
COMMITTEE ON THE BUDGET
COMMITTEE ON ENERGY AND NATURAL RESOURCES
SELECT COMMITTEE ON INTELLIGENCE
JOINT COMMITTEE ON TAXATION

June 24, 2021

The Honorable Jeffery A. Merkley
Chairman
Subcommittee on Interior, Environment
and Related Agencies
142 Dirksen Senate Office Building
Washington, D.C. 20510

The Honorable Lisa Murkowski
Ranking Member
Subcommittee on Interior, Environment
and Related Agencies
125 Hart Senate Office Building
Washington, D.C. 20510

Dear Chairman Merkley and Ranking Member Murkowski:

I certify that neither I nor my immediate family has a pecuniary interest in any of the congressionally directed spending items that I have requested in the Fiscal Year 2022 Interior, Environment, and Related Agencies appropriations bill, consistent with the requirements of paragraph 9 of Rule XLIV of the Standing Rules of the Senate.

Sincerely,

Ron Wyden
United States Senator

**Wyden, Ron(D-OR) Interior and Environment
Congressionally Directed Spending Requests**

Recipient Name	Project Purpose	Project Location	Amount Requested (\$000)
Oregon Alliance of YMCAs	Funding is requested for wildfire prevention, mitigation and safety projects to reduce the threat of wildfire in and around camps.	33 Counties OR	\$1,000
City of Haines	Funding is requested to replace the City of Haines' aging and deteriorating water distribution system pipes.	Baker County OR	\$1,015
Oregon State University	Funding is requested to expand detection capabilities of per- and polyfluoroalkyl substances throughout Oregon's inland waters to improve understanding of health risks.	Benton County OR	\$500
City of Dallas	Funding is needed expand the City of Dallas' ability to provide a water supply buffer during drought years and to attract industrial businesses and jobs.	City of Dallas OR	\$1,000
City of Prineville	Funding is requested to permit and construct a biomass power plant.	City of Prineville	\$800
Clackamas County	Funding is requested to decommission the Boring Lagoon Wastewater Treatment Facility and replace it with a pump station and 6 miles of pipeline to connect to a larger, more effective treatment works.	Clackamas County OR	\$1,500
City of Sandy	Funding is requested to repair and replace aging and undersized wastewater collection pipes to reduce inflow and infiltration from ground water.	Clackamas County OR	\$1,000
City of Warrenton	Funding is requested for new raw water conveyance in the City of Warrenton.	Clatsop County OR	\$1,284
City of Warrenton	Funding is requested to repair areas of very high inflow and infiltration (I and I) identified in a study of the east end collection system in the City of Warrenton.	Clatsop County OR	\$2,000
City of Warrenton	Funding is requested for the construction of a transmission line from the east terminus of NW 13th St. to the intersection of Lake Dr. and Pacific Dr. in Warrenton, Oregon.	Clatsop County OR	\$1,000
City of North Bend	Funding is requested to replace select water pump stations, sewers, storm lining, cured in place pipes, and storm drainage systems in the City of North Bend.	Coos County OR	\$1,339
City of Prineville	Funding is requested to extend water and wastewater services to an underserved and blighted area inside of and within close proximity to the City of Prineville limits.	Crook County OR	\$1,500
Tualatin Valley Water District	Funding is requested to replace an aging, outdated water system with advanced metering infrastructure.	Crook County OR	\$1,500
Deschutes Land Trust	Funding is requested for restoration activities, a footbridge installation, enhance trails and access, and support engineering oversight.	Crook County OR	\$2,000
Port of Brookings Harbor	Funding is requested for a new wastewater treatment plant system to sustain the future of the fish processing plant and environment, and accommodate additional businesses and jobs to the region.	Curry County OR	\$3,500
City of Hood River	Funding is requested for the relocation of a failed stormwater line in the Hood River Waterfront District into public right-of-way and public property.	Hood River County OR	\$574
Lomakatsi Restoration Project	Funding is requested to restore and maintain a 2,000-acre footprint of important fire-dependent ecosystems to reduce the threat of uncharacteristically severe wildfire.	Jackson County OR	\$500

Rogue River Valley and Medford Irrigation District	Funding is requested to design and construct a piped irrigation water delivery system to eliminate the water losses associated with the existing canal system and provide water quantity and water quality improvements for federally threatened coho salmon in the Little Butte Creek Watershed.	Jackson County OR	\$5,000
Confederated Tribes of Warm Springs	Funding is requested to upgrade the Warm Springs Dry Creek landfill to meet compliance standards.	Jefferson County OR	\$915
Confederated Tribes of Warm Springs	Funding is requested to renovate the Museum at Warm Springs and will include improvements such as mechanical and electrical infrastructure upgrades, exhibit support, and security upgrades.	Jefferson County OR	\$220
North Unit Irrigation District	Funding is requested to line (geomembrane/shotcrete) a half mile section of the North Unit Irrigation District Main Canal.	Jefferson County OR	\$1,000
City of Klamath Falls	Funding is requested to upgrade a wastewater treatment plant and treat/prepare water for groundwater recharge or agricultural reuse.	Klamath County OR	\$5,000
Klamath County	Funding is requested for planning (e.g., NEPA, permitting, final design) and for the initial phase of construction of the pumpback system.	Klamath County OR	\$2,000
Town of Lakeview	Funding is requested to start and complete a water treatment facility to provide clean water to the citizens of Lakeview.	Lake County OR	\$2,000
Willamalane Park and Recreation District	Funding is requested for fire suppression efforts in forested areas in the greater Springfield area.	Lane County OR	\$200
Mapleton Water District	Funding is requested to replace the broken water distribution system in the unincorporated area of Mapleton, Oregon.	Lane County OR	\$800
University of Oregon	Funding is requested to develop a new Center for Wildfire Smoke Research and Practice at the University of Oregon.	Lane County OR	\$800
McKenzie River Trust	Funding is requested to provide floodplain reconnection and habitat restoration along the McKenzie River. This restoration will provide critical habitat for spring Chinook salmon and other native species.	Lane County OR	\$1,800
Port of Toledo	Funding is requested to install and connect sanitary sewer service from the Port of Toledo Shipyard and Industrial Park to the City of Toledo's sanitary sewer system.	Lincoln County OR	\$1,957
Confederated Tribes of Siletz Indians	Funding is requested to develop the Ghii Dee-Ne Dvn cultural heritage center and install storage and archival space.	Lincoln County OR	\$750
City of Albany	Funding is requested to expand the new composting facility at the Albany-Millersburg Water Reclamation Facility (WRF) to a size capable of treating 50% of the wastewater solids.	Linn County OR	\$1,800
Long Tom Watershed Council	Funding is requested for increased prescribed fire capacity in fire-adapted ecosystems in the Willamette Valley	Many counties including Lane, Yamhill, and Polk OR	\$715
State of Oregon	Funding is requested to establish a state grant program to help rural, forested communities with economic development.	Marion County OR	\$2,000
North Santiam Watershed Council	Funding is requested to support riparian and upland forest restoration, fuels reduction, firewise planting, and forest re-planting.	Marion and Linn counties OR	\$2,104
Sustainable Northwest	Funding is requested for an investment in nursery and seedling infrastructure to support wildfire recovery for small forestland owners.	Multiple counties across Oregon OR	\$864
The Nature Conservancy	Funding is requested to conduct an assessment of existing conditions analysis of regional urban forestry programs, partners, resources and needs.	Multnomah, Washington and potentially Clackamas Co OR	\$500

City of Dallas	Funding is requested to develop infrastructure to process up to 1.1 million gallons/day of wastewater effluent to produce Class A reclaimed water for industrial and potential irrigation reuse.	Polk County OR	\$1,000
City of Redmond, Oregon	Funding is requested to expand the City of Redmond's water pollution control facilities.	Redmond OR	\$1,000
Oregon Department of Forestry	Funding is requested to acquire and install wildfire detection cameras to enhance local fire preparedness, response, prevention, and mitigation efforts.	Statewide OR	\$2,250
City of Echo, Oregon	Funding is requested to replace all of the City of Echo's water system service connections that are over 30 years old and create a GIS digital mapping system of the new connections and corresponding valves.	Umatilla County OR	\$450
Fish and Wildlife Service	Funding is requested to enhance spawning and rearing habitat for kokanee salmon and bull trout, protect private and public property from the effects of flooding, and provide significant outreach to the general public.	Wallowa County OR	\$400
Wallowa Resources	Funding is requested to support a two-year position to expand local capacity for Wallowa County and Wallowa Resources. Funding will also support evaluation for prospective properties and short term technical assistance contracts.	Wallowa County OR	\$150
City of Dufur	The project will split and expand existing treatment pools, raising earthen dikes and building a headworks to pump treated water into a nearby irrigation system.	Wasco County OR	\$1,000
City of Hillsboro	Funding is requested for the replacement or rehabilitation of the existing pipeline, the addition of isolation valves, and a booster station to the City of Hillsboro's Washington County (Upper System) pipelines.	Washington County OR	\$1,000
City of Amity, Oregon	Funding is requested for the installation of a water main from Nursery Street, South on Goucher Street, and over to Oak Street in the City of Amity.	Yamhill County OR	\$584
City of Newberg	Funding is requested for the preliminary engineering and investigative reports necessary to complete the preparation of design plans for the seismic retrofit to the City of Newberg's Water Treatment Plant.	Yamhill County OR	\$500
City of Newberg	Funding is requested for construction funds for installation of emergency connection and controls at the City of Newberg's Water Treatment Plant.	Yamhill County OR	\$500
City of Willamina	Funding is requested for removal and current intake, building of a new intake with necessary baffling to keep any silt/turbidity that finds its way to the new site from entering the intake, the installation of new (and larger) lines from the intake to the water treatment plant, and the installation of lines from the water treatment plant to the Willamina School District.	Yamhill County OR	\$2,000
City of Amity, Oregon	Funding is requested to replace the existing cement pipeline with new ductile iron pipeline to add capacity for future water demands and fire flows, as well as reduce the risk of a line break.	Yamhill County OR	\$400
City of Yamhill	Funding is requested to evaluate how to replace the line from the City of Yamhill treatment plant to the existing reservoirs.	Yamhill County OR	\$192
City of Newberg	Funding is requested to construct a new waterline in Newberg, Oregon.	Yamhill County OR	\$1,000
City of McMinnville	Funding is requested for engineering and right-of-way acquisition for the replacement of an asbestos and steel water transmission pipeline serving the City of McMinnville.	Yamhill County OR	\$1,000
